2. Education
3. Labour market integration and access to vocational training
4. Access to basic services
5. Active participation and social inclusion
1 - Pre-departure/Pre-arrival measures

- Projects supporting pre-departure and pre-arrival measures for local communities (e.g. private sponsorship for resettlement)

- Strengthening cooperation with selected third countries on pre-departure measures
2 - Education

- Online language assessment for newly arrived migrants (Erasmus+)
- Promotion of inclusive education (peer learning events / school education gateway)
- Promotion of upgrading of skills of TCNs (Skills Agenda)
- Promoting removal of barriers for participation of migrant children in early childhood education
3 – Labour Market integration & vocational training

- Support projects for labour market integration through "fast-track" insertion and vocational training
- Support validation of skills and recognition of qualifications (Skills Agenda)
- Pilot projects to support migrant entrepreneurship
- Promotion of best practices for labour market integration
4 – Access to basic services

- Strengthen cooperation with EIB to fund temporary accommodation/health facilities/social housing
- Develop training modules for health professionals to upgrade capacities to deal with TCNs-specific health issues
- Promote exchanges between Member States and cities on housing issues
- Support best practices in care provision for vulnerable TCNs (women, children, old persons)
5 – Active participation and social inclusion

- Promote intercultural dialogue, cultural diversity and European common values
- Promotion of social inclusion through youth and sport (Erasmus +)
- Promotion of participation in social and cultural life
- Promotion of actions to combat discrimination, racism and xenophobia
Guidance to Member States included in 5 priority areas

- Non-binding recommendations

- Encourage Member States to take action on certain key aspects (e.g. validation/recognition of skills; ensure an integrated approach on access to services)

- Encourage Member States to make use of the tools of the Action Plan (e.g. funding, tools under the Skills Agenda)
Tools to support integration

- **Strengthen policy coordination**
  - Involve all stakeholders
  - Setting up the European Integration Network
  - Optimal use of existing tools, mechanisms and networks (e.g. European Semester, EU Work Plan for Youth 2016-2018, PES)
  - Partnership for EU Urban Agenda on Integration
Tools to support integration

- Strategic use of EU funding for integration
  - Use EU funds to maximise support to MS for integration (AMIF and beyond)
  - Use partnership mechanisms to involve all stakeholders, particularly local/regional
  - Increase EU funding for integration
Next steps

- Continue mainstreaming integration across all relevant policies (UE and MS levels)

- Keep monitoring of integration indicators (OECD studies; European Semester)

- Update and strengthening of MS policies on integration

- Better use of EU funding (synergies)

- Regular review of the implementation of the Action Plan by the Commission
